# Postmodern Philosophical Critique And The Pursuit Of Knowledge In Higher Education

**christianity and the postmodern turn a critique of ... - study** - christianity and the postmodern turn a critique of postmodern epistemology i. introduction "the atheistic or at least non theistic character of their thoughts is not modified by religious motifs that emerged in the later thought of nietzsche, heidegger and derrida. so it is widely assumed, by friend and foe alike, that the central themes **phenomenology, postmodernism, and philosophical ...** - finally, our focus shifts to a more general critique of the postmodern position relative to phenomenology. here, we consider the contributions of husserl (1962, 1970) heidegger (1962), and merleau-ponty (1964, 1968, 2002). it is important to note that our overarching conversational concern is with the underlying philosophical **beyond liberal peacebuilding: a critique of liberal ...** - this paper will make a philosophical critique of liberal peacebuilding and explore a postmodern post-liberal hybrid peacebuilding. one of the problems with contemporary peacebuilding research is that much of it has focused on the practical and technical challenges of peacebuilding whilst paying little attention to the **postmodernism and psychoanalysis: a heideggerian critique ...** - antifoundationalism is a core of both his philosophy and the postmodern perspective. whether or not one follows nietzsche in his rejection of god and religion, modern and postmodern philosophical thought is characterized by an explicit avoidance of talk about god or reliance on religious belief as a foundation for what we know of our existence. **a postmodern critique of artificial intelligence** - it is not my purpose to explain or defend dreyfus' philosophical critique of ai. rather i want to show that a related critique can be mounted on the "postmodern" understanding of language that has developed in the anglo-american philosophical tradition, particularly in the work of ludwig wittgenstein and willard quine. **the philosophical roots of postmodernism: a critical ...** - knowledge. postmodern condition, hence, is characterized by a problematization of all knowledge. using the traditional philosophical terminology, it can be argued that postmodernism is a thorough-going critique of both subjectivity and objectivity. the important point, however, is that this critique derives its strength largely from the **nietzschean critique and philosophical hermeneutics** - nietzsche can at once be a critical theorist and a postmodern critic of the metaphysical tradition, we can develop an important resource for articulating the role of critical theory within gadamer's philosophical hermeneutics.<sup>9</sup> by exploring the connections between nietzschean critique and philosophical
